

Course Identification Numbering System (C-ID)

**UPDATES:
COURSES AND TMCS**

All 112 CCCs have submitted courses into C-ID with 7696 C-ID designations approved - includes TCSU courses (as of 5/14/2014). **Please note that all current TCSU-based approvals are set to expire at the end of Fall 2014.**

TOP 4 Colleges by number of submissions to C-ID:

1. Modesto Junior College (365)
2. American River College (341)
3. Santa Barbara City College (319)
4. Sacramento City College (309)

12 CSU campuses have identified 1194 CSU courses as comparable to C-ID descriptors (as of 5/14/14).

270 C-ID approved descriptors in 34 disciplines

1245 AA-T and AS-T degrees approved by the CCC Chancellor's Office as of 4/23/14.

DISCIPLINE STATUS REPORT:

Agriculture

The Agriculture descriptors have undergone the 5-year descriptor review process and the revised descriptors are now available for course submission on the C-ID website: http://c-id.net/view_final.html

Public Health Science

The faculty discipline review group (FDRG) for the discipline held a meeting and developed a draft TMC along with descriptors. The TMC and associated descriptors will soon be available for review by statewide faculty.

ANNOUNCEMENTS:

C-ID Verification Timeline for AA-T and AS-T Degrees:

Earlier communication from the Chancellor's Office established a deadline of June 1, 2014 for colleges to have "approved" C-ID status for all ADT courses for which C-ID descriptors are available. **The timeline is extended to June 30, 2015.** Please refer to the memo on the C-ID website for more information: <http://c-id.net/>.

Status of Intersegmental Model Curriculum (ISMC) Development:

Intersegmental Model Curricula (ISMCs) for Nursing, Engineering, and Information and Communication Technologies have completed vetting and are currently under review. Details related to how an ISMC will be implemented and what benefits earning an ISMC-aligned degree might confer on students are currently under discussion.
